

Tired of searching for qualified buyers?

The traditional sales process is broken. Your products get lost in a sea of catalogs and showrooms, and you waste time chasing leads that go nowhere.

What if you could place your products directly into a designer's workflow, at the exact moment they are making purchasing decisions?

We built the bridge!

Where do designers really make decisions?

~~Not in a showroom~~
~~Not from a catalog~~

INSIDE THE 3D VISUAL

Design&Cart places your products directly where decisions are made.

Benefits For Your Brand

- ☒ **GET SPECIFIED, NOT JUST SEEN**
Move your products from a designer's mood board directly onto their client's purchase order.
- ☒ **REACH DECISION-MAKERS**
Connect with a curated community of professional interior designers who are actively sourcing for verified projects.
- ☒ **A STREAMLINED SALES CYCLE**
Receive qualified purchase orders directly to your dashboard. No more cold calls, just confirmed sales.

Be Part of the Final Decision.

Designers don't just show your catalog—they sell with it. By featuring your products in their stunning 3D renders, they make your brand the centerpiece of their client's approved design.
